

RADIATION SAFETY ACT

Medical Radiology Licence Holders

The Radiological Council licenses radiologists to operate or use irradiating apparatus for medical diagnostic purposes in Western Australia. This document provides a list of licensees (including temporary permit holders) for the purpose of "Medical Radiology" only, and the expiry date of each licence.

The list is generated on the date shown in the footer. It does not include licences that have been issued since this date, but will include some licences which have since expired. Please contact an officer of the Council for further information.
